FREE Worksite Radio/Charger

with your purchase of a DeWalt Rotary Laser Package

Get a FREE DC012 Radio/Charger when you purchase a DeWalt DW079KDT Rotary Laser package. Offer expires 2/28/14 or while supplies last.

DEWALT 18V Interior/Exterior Self-Leveling Rotary Laser Package

- Fully automatic horizontal and vertical self leveling with out-of-level shutoff
- Private mode option eliminates remote control interference between multiple rotary lasers on the job-site
- A manual single sloping mode allows the user to set grade ±5 degrees.
- Multi-voltage adapter accepts all DEWALT® batteries 9.6V - 18V
- Protected rotary head and weather-proof design
- Bright, sharp, high power beam delivers maximum visibility, even over long distances
- Wireless (IR) remote control operated scan mode creates a "laser chalkline" between two points for an extremely bright beam over long distances
- Digital laser detector extends interior and exterior range to 600'

Package Includes:

- **1 hour charger and 18V battery**
- **Digital laser detector**
- **Wall Mount**
- **Wireless (IR) Remote Control**
- **Laser Target Card**
- **Laser Enhancement Glasses**
- **Kit box**
- **Construction Tripod**
- **1 Year Free Service Contract including (2) Calibrations**
- **3 Year Limited Warranty**
- **90 Money back Guarantee**
